
TAKS Testing Schedule

Trenton High School
2008-2009

Graduation Requirements for Texas Students

- Students must pass their classes as well as all four sections of the exit level Texas Assessment of Knowledge and Skills (TAKS) in order to receive a diploma and graduate from a Texas public high school.
- Students first take the exit level TAKS in the spring of their junior year.
- The exit level TAKS includes math, science, social studies, and English language arts. These tests are based on the Texas Essential Knowledge and Skills, or TEKS, which are the curriculum standards (or broad curriculum requirements) that teachers use every day in the classroom as the basis for instruction.
- Students will have five opportunities prior to their graduation to take and pass the four exit level TAKS tests; however, passing these tests in their junior year is preferable.

High School

- 9th Grade
 - Reading TAKS
 - March 3rd
 - Math TAKS
 - April 30th

High School

- 10th Grade
 - English Language Arts (ELA) TAKS
 - March 3rd
 - Math TAKS
